To R' Chaim and Barbara Kamenetsky, whose *ahavas Yisrael* knows no bounds. Their legendary work on behalf of Klal Yisrael serves as an inspiration to people everywhere, from all walks of life. I cherish the *ahavas achim* that exists between us. I am humbled by their dedication of this *sefer*. May the entire *chashuve mishpacha* have *bracha, hätzlacha* and *simchas*, לאייט.

→ To Chaya Lipschutz, whose friends have dedicated this book in her honor. She works on behalf of *Klal Yisrael* with *mesiras nefesh* and has single-handedly raised the awareness of the all-important matter of kidney donations. Chaya's work is real *hatzalah*. To put it simply, she's involved in saving lives. I encourage all who can to support her work or to actually become a donor, and to take part in this *choshuve mitzvah*. It is a דבר שעומד ברומו של עולם.

To Gary and Gittie Klein, whose warmth, wisdom and understanding have impacted on our community and changed it for the better. May they have much *nachas* from their outstanding children and many *simchas*, לאייט.

To R' Aryeh Mezei of Judaica Press, whose creative and perceptive insights have truly enhanced the field of Jewish publishing. His sincerity and
